Kirk Bostick as "Mickey" and Chris Lorenz as "Bill Shakespear" at many practices that it took to get this scene perfect.

Andy Bramlett practices his part as "Ray" before opening night.

Angela Anderson and Dale Hamlin also practice their parts as "Fran Caldwell and Coach Summers" before their debut.

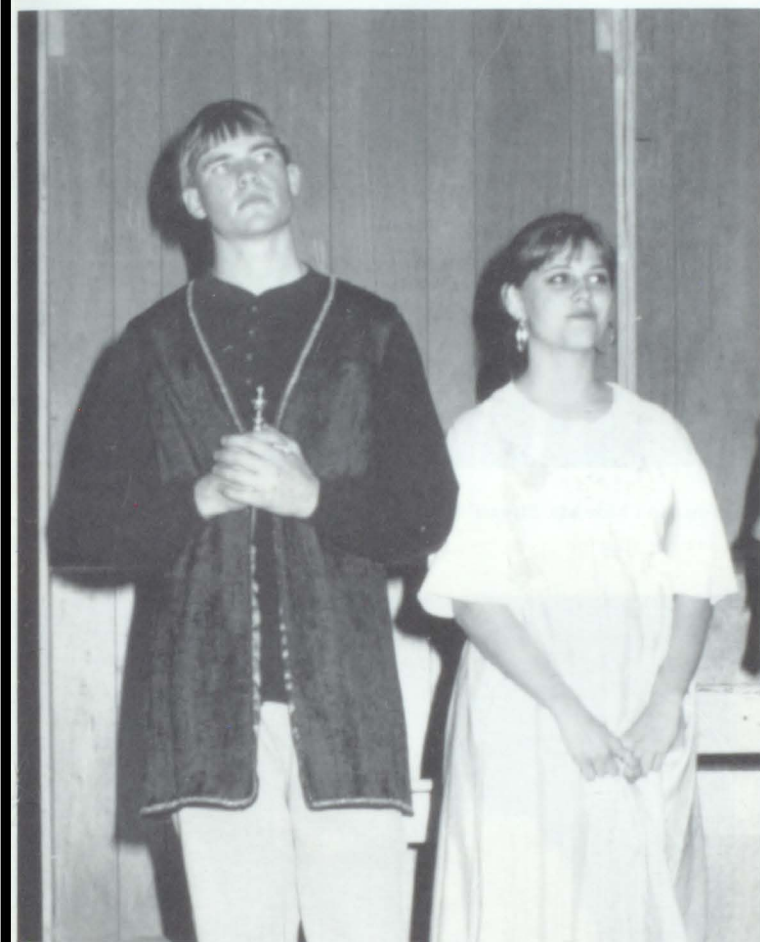

Cast members: Back row — Leigh Ann Phillips, Stacy Williamson, Hannah Baker, Andy Avera, Richard Osborne, Brian Evans, Andy Bramlett, Laura Webb, and Dale Hamlin.
Middle row — Kirk Bostick, Kevin

Whittington, Shonda Slaughter, Angela Anderson, Katie Hodnett, Andrea Smith, Cassie Riedel, Stacey Sanders, Kristy Pelt, and Patricia Borders.
Front row — Chris Lorenz and Mr. John Jones.

Laura, Kirk, and Stacy stand tall as they act out a scene in their Shakespearean outfits.

"Sheri Fredricks," played by Laura Webb, pushes her baby Stacy across the stage in a shopping cart.

A heart felt scene acted out by Chris Lorenz as "Bill Shakespear" and Natalie Nixon as "Phyllis."

The Senior Play

This year's senior play, "Get Bill Shakespear off the Stage," was a big success. There was a big turn out on both nights and had everybody falling out of their seats with laughter. This year's play was about a new teacher named Fran Caldwell, played by Angela Anderson, coming to a new school where every year they perform comedy-type plays. This year she wants to

perform a shakespearean play but everyone else wants to stick with the same old routine. Ray, played by Andy Bramlett, gives her problems throughout the whole play, but in the end, both the students and Fran Caldwell come up with a comprise. I would like to thank John Jones and the rest of the cast for a wonderful play and lots of luck on next year's play.

The Lady Warriors Look To The Future.

Our 94-95 Lady Warriors softball team made an outstanding attempt to once again win the city championship. Although they didn't quite make it, they remained dedicated throughout the season and never gave up trying. Each victory can be attributed to the hard work put forth on and off the field by every player. Although the team was young, with only one senior and two juniors, the freshmen and sophomores learned valuable lessons that will help them in future seasons.

When asked about the future of our softball team, junior Amy Parham said "Our team has a lot of potential and devotion. We are looking forward to the years to come and hope once again to win the city championship. Everyone tried their hardest and I feel they will continue to do for the years to come."

Varsity Football

What Struck Fear Into The Minds Of Our Opponents?

The Southeast Varsity Football team opened the season with a 20-0 victory over Dooly Co. Even though the team didn't have many victories, they played many close games. Showing their spirit and commitment, the team struck a new fear into the minds of their opponents.

What one word describes the Warrior Football team? Defense. The Warrior defense was hard-hitting and determined, rarely allowing the opposing teams a taste of what to expect next year.

The Warriors defeated Butler 2-0 with a safety by Robbie Riggins. Once again the Warriors earned the respect of their opponents. Many hours of practice and concentration went into the plays and strategies of the Southeast Warriors. The mighty Warriors are building a great foundation for future football seasons at Southeast High School.

Best Friends

FRIENDS FOREVER

We've been the best of friends,
But now it's time to go our separate ways.
We must promise to keep in touch,
And never forget the good ole' days.
Like going to see the guys at Western,
Or riding around on Friday nights.
How about our friends, parties?
Where someone was bound to fight.
You've all been special friends,
When the others needed you.
Like after the death of a friend,
When no one knew what else to do.
There have been tough times,
When we still acted like children.
Fighting over some guy,
Which turned out fine in the end.
This is the time for us to start over,
But do not forget the ones that helped us through.
They'll always be your best friends,
That much will forever be true.
Cherie who is prissy,
And loves rowdy bars.
Heather who acts innocent,
And loves to wreck little, white cars.
Brandi is loud,
And loves to speak her mind.
Trish is blunt too,
But is also very kind.
Kristy who is a little dinky,
And fisty, I might add.
Terri who is outgoing,
And usually never sad.
Andrea is the most feminine,
And loves a lot of attention.
Amy is creative,
And lazy, I'd like to mention.
Dana, Nicole, and Alicia,
Others who are close to our heart,
They decided to leave early,
But too our gang, they're still a big part.
The day grows closer,
When we'll say, "Bye".
It'll be a sad day,
I'm sure some will even cry!

Pep Rallies are a time to let out stress, to show our school spirit, and to just act as roudy as we can. Out of all the pep rallies we have all year, the pep rally before Homecoming is always the best. The teachers put on funny scenes for us and make us laugh. The cheerleaders show off their stuff, and some odd ball students get out on the gym floor and just have fun. Pep rallies are the best time of the school year.

Home Coming Game

We had a great turn out for Home coming game this year. Even though we did not win, the team tried their best and performed the best they could. The Home Coming Court went very well and the best of the best were chosen to lead our school with pride. Thanks for a great game and lots of luck next year.

Graduation!

Twelve years of hard work comes to a climax on June 6, 1995. Excitement, chills and butterflies in stomachs are the predominate feelings as students fill the halls waiting to hear the processional music

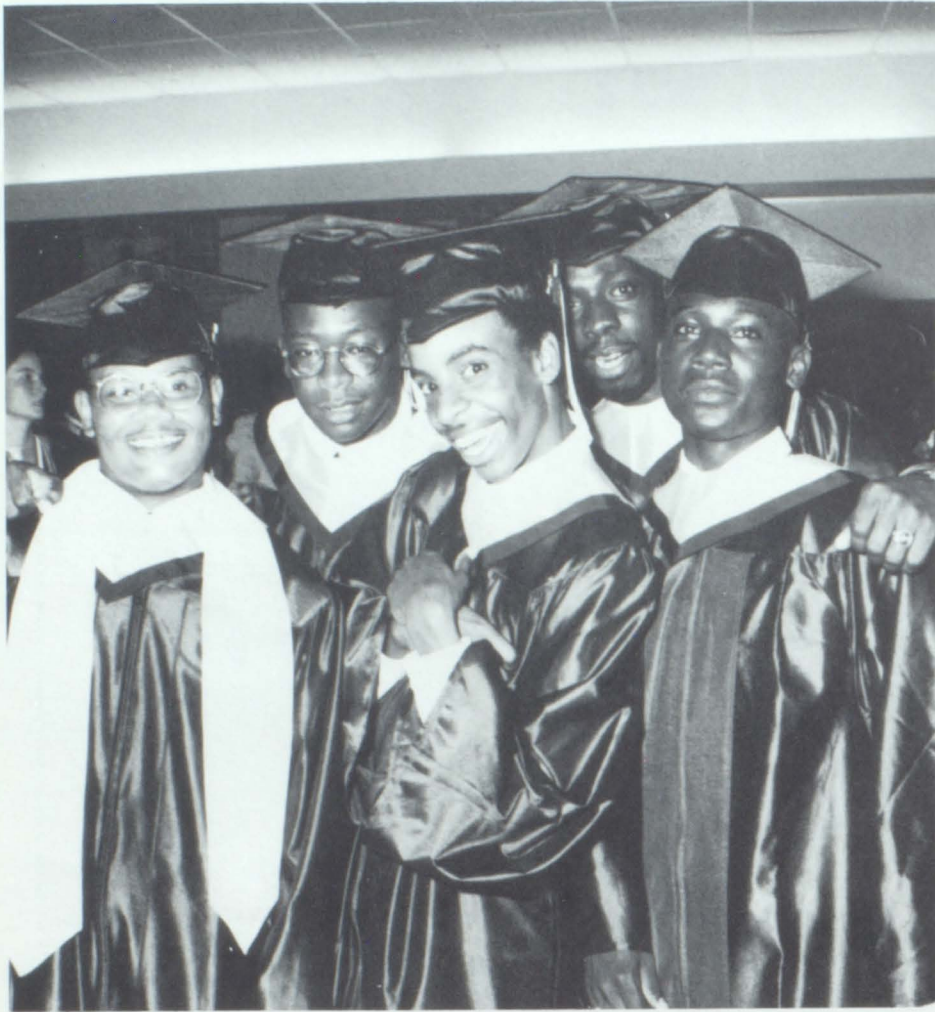

The music begins, the march starts and suddenly the realization hits that high school is ending and a new life is beginning. Gone is the security of returning to the same place, friends and teachers of many years and in it's place excitement of new places and friends

Miriam Swayne, Senior Class Vice President, gives the closing remarks.
